

INDIANA LANDMARKS

INDIANA LANDMARKS CENTER

A state-of-the-art event and performance facility in a restored historic church

Owned and operated by **Indiana Landmarks**, a private nonprofit organization that saves historic places and uses preservation as a catalyst to revitalize communities. What started as a small, all-volunteer group in 1960 has grown to the largest statewide preservation group in the U.S., with 6,000 members and nine offices across Indiana.

To see photos of primary venues, click the Indiana Landmarks Center link at indianalandmarks.org.
