

Black Heritage Preservation Program Grant Guidelines

THE INDIANA LANDMARKS BLACK HERITAGE

Preservation Program is committed to uncovering and preserving the historic sites and heritage of Black Hoosiers. Our goal is to support all efforts to tell the full story of African Americans in Indiana. We engage in the preservation of extant historic buildings and sites as well as heritage connected to places that no longer exist.

The Black Heritage Preservation Program offers grants ranging from \$500 to \$30,000 for restoration and preservation of sites important to Black heritage in Indiana.

The Black Heritage Preservation Program also offers grants ranging from \$250 to \$10,000 for interpretive projects that document and bring public attention to heritage and history that no longer is evidenced by physical sites.
